

Lexis®PSL

The what, how and why of UK law

Take the headache out of practising UK law through one easy-to-use website.

LexisNexis Pacific is proud to offer our Australian and New Zealand based customers' subscriptions to the UK's LexisPSL.

LexisPSL provides you with all the practical guidance, consolidated legislation, forms and checklists you need to practise UK law across 23 practice areas.

Built on the heritage of Butterworths, Tolley and the collective knowledge of hundreds of our lawyers and authors, LexisPSL helps you to work through UK matters with ease so you can focus on meeting the needs of your clients.

Lexis®PSL

Access to 100 LexisNexis UK lawyers,
500 contributors and 200 consulting editors

The what, how and why of UK law...

... the what:

As a Pacific based lawyer advising clients on UK matters, you have to cover a lot of ground. When you're wearing so many hats, sometimes the real challenge is simply, knowing where to start.

LexisPSL ensures you have easy access to legal content that is authentic and reliable.

...the how:

LexisPSL has been designed to make your life easier:

- Concise practice notes giving quick answers, top tips and easy-to-follow flowcharts that simplify complex matters.
- Integrated forms that can be edited and completed online and precedents containing comprehensive drafting notes.
- Daily alerts to stay in touch with the latest legal developments.
- Automated tools to save valuable time.
- All accessed via intuitive search across 23 practice areas, all developed by experienced practitioners.

...and the why:

Working in partnership with leading experts in law.

Based on their own practical experience, our expert team of solicitors and barristers select and analyse the latest cases and developments and gauge the real impact of significant legal and market developments to bring you the most comprehensive and current legal content.

With this kind of support and expertise at your fingertips you can save time and money and practise UK law more efficiently and confidently.
