

Fast, easy, trusted.
It's smart guidance
for professionals.

Employment Law for Business

Get instant access to essential legal information on a range of employment law topics with Practical Guidance – Employment Law for Business, your fast and easy online information tool.

Designed specifically for non-legal professionals, Employment Law for Business guides you through common employment pitfalls so you can expertly manage staff with confidence.

Follow our step-by-step guides to complete the required processes across a number of typical employment topics and issues, even those you are unfamiliar with, through our easy-reference online platform.

Be assured you have the necessary resources to control risk, stay up to date on changes in the law, save time and avoid costly compensation and legal fees.

Take a strategic approach when managing employment issues and capitalise on your company's most valued asset – your people.

Discover LexisNexis Practical Guidance – Employment Law for Business

Selected topics provide quick access to the core information you need across a range of employment law areas. Our online service is updated regularly so you can be confident you always have access to the most up to date information.

Easy to navigate with intuitive search features, so you can find the right information and guidance you're looking for, to save you time and streamline your work.

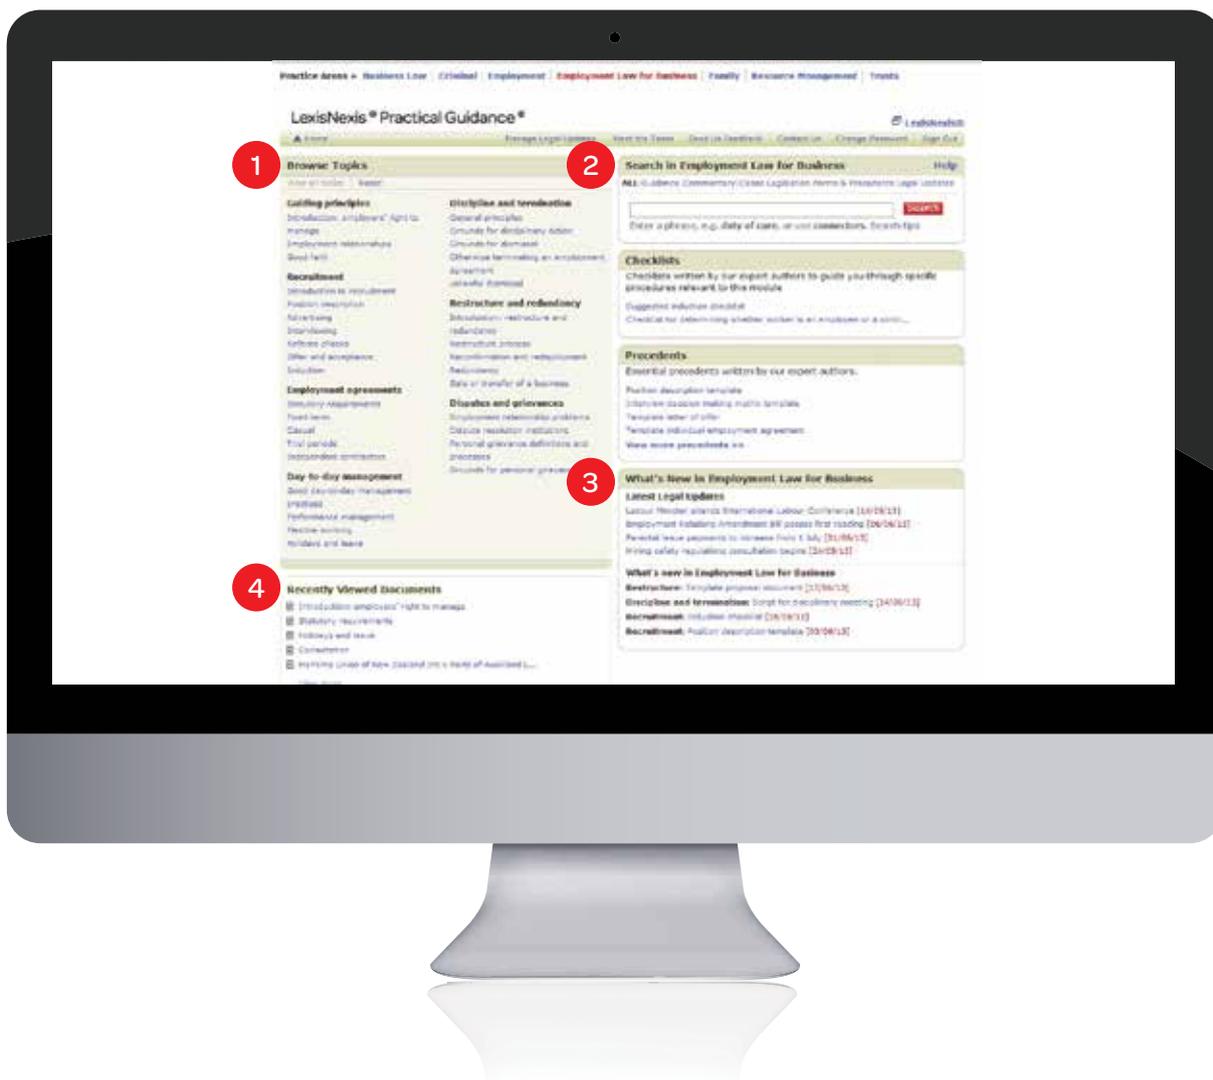

What's included?

The module contains seven essential topics covering the important employment law issues you are likely to deal with on a regular basis including:

- Guiding principles
- Recruitment
- Employment agreements
- Day-to-day management
- Discipline and termination
- Restructure and redundancy
- Disputes and grievances

Across these seven topics you get access to:

Subtopics	Subtopic descriptions each with clear and concise introductions to the area of law for easy to interpret and precise information.
Guidance	Guidance notes, written by legal experts specifically for non-lawyers, for comprehensive interpretation and understanding of the law and instructions on exactly what you need to do.
Precedents (Template documents)	Precedents provide you with the most up to date legally compliant template documents so you can be sure you always have easy access to a current and compliant employment agreement. Our template documents give you the framework and necessary external links so you can correctly address the practical aspects of the task.
Cases	Cases provide citations of cases passed through the courts. We also demonstrate complex cases via case studies of real-life employment law scenarios.
Checklists	Checklists walk you through processes step-by-step so you can easily tick off what's required within the specific area of employment law.

1

Browse Topics

With content organised by topic, simply select what's relevant and you will see all the key information you need. If you don't know the terminology for what you're looking for, this browse feature is the perfect option.

2

Search

Search and find specific information across the relevant topic, ideal if you're familiar with an area.

3

“People are a big part of Hurricane Clothing’s success. We proactively manage personnel requirements – focusing on systems that enable our Managers to be informed and responsive. Practical Guidance provides certainty we’re up to date with legislation and are well equipped to manage any issues that may arise.”

David Byrne, Owner and Managing Director, Hurricane Clothing Company

Rely on content written specifically for non-lawyers by legal experts at Chen Palmer. Benefit from the legal intelligence of this well-respected New Zealand law firm as they share with you valuable information you would otherwise receive from a costly law firm consultation.

About Chen Palmer

Chen Palmer was the first public law specialist firm in New Zealand, established in 1994. Chen Palmer has won best Public Law Firm in the New Zealand Law Awards five years in a row, from 2007 – 2011. Chen Palmer has advised on most of the major policy and law reforms undertaken by Governments over the last 19 years. In recent years Chen Palmer has been involved in some of the most interesting and high-profile public law work in New Zealand. Chen Palmer's highly successful public law practice was complemented in early 2011 with the addition of an employment law practice.
